

DEBRIS REMOVAL TIPS

Expedite debris removal by following these helpful tips.

DO NOT place debris near trees, poles or other structures that make debris removal difficult.

Debris Separation

Separate debris into the following groups:

1 | ELECTRONICS

computers, televisions and other devices

2 | APPLIANCES

air conditioners, dishwashers, washers and dryers, stoves, refrigerators, water heaters

3 | HAZARDOUS WASTE

batteries, cleaning supplies, paints, pesticides, oils, compressed gas

4 | VEGETATIVE DEBRIS

branches, leaves, logs, plants

5 | CONSTRUCTION DEBRIS

building materials, carpet, drywall, furniture, lumber, plumbing

6 | HOUSEHOLD GARBAGE

bagged garbage, discarded food, packaging and paper

DO NOT PLACE DEBRIS in **alleyways** or on **sidewalks**

DO NOT BLOCK ROADWAYS

Visit StPete.org/emergency for more information on storm preparedness.
