CLIMATE SCIENCE 101: *UPDATES FROM THE CITY OF ST. PETERSBURG ON THE AMERICAN CITIES CLIMATE CHALLENGE*

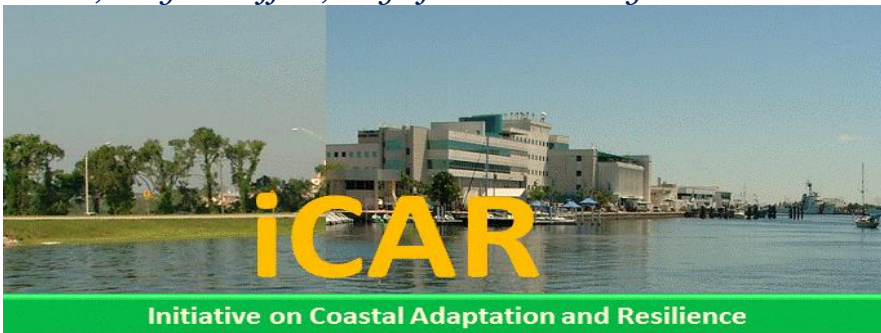

This session of the Community Climate Change Education Series organized by iCAR will focus on how the City of St. Petersburg is implementing the support package it has received as one of the winners of the Bloomberg American Cities Climate Challenge (ACCC). The ACCC is designed to help cities significantly deepen and accelerate their efforts to tackle climate change and promote a sustainable future for their residents.
