Students will learn about the ecology and conservation of tortoises and freshwater turtles through a blend of classroom and field sessions. Classroom sessions include PowerPoint presentations and hands-on activities. Field sessions will include lessons on identification techniques and data collection. Students will receive a copy of the 'Turtles of Florida', a guide co-authored by Mr. Heinrich.

Give the Gift of Fun! Parks and Recreation Gift Cards in any amount available in the office.

Our Mission: To preserve, protect, maintain and enhance the city's parklands and recreational facilities and engage people in leisure activities that contribute to their quality of life.

The Americans with Disabilities Act (A.D.A.) guarantees equal opportunity for people with disabilities. Special accommodation requests such as sign language interpreters, taped or Braille materials, assistive listening devices, etc., should be made at least one week prior to the activity or program. Individuals using TTD devices, please contact us using the Florida Relay Service at (800) 955-8771.
