Scrubbin' Da' Burg 2017

On Thursday, July 6, teens from across the city participated in the 16th Annual Scrubbin' Da 'Burg community service event. Thirteen TASCO middle school camps united in an effort to beautify St. Petersburg. Over 600 teens worked in partnership with the St. Petersburg N-Team, City of St. Petersburg Neighborhood Services, St. Petersburg Police and Fire Departments, Pinellas County Schools, and the St. Petersburg Parks and Recreation Department to identify projects which included painting houses, washing fire trucks, spreading mulch, picking up trash, clearing debris, landscaping, filling sand bags, and more. Following the cleanup, teens came together at The Coliseum for an awards ceremony and proclamation announcement addressed by Mayor Rick Kriseman.

Attendance Requirements

Participants enrolled in our free After School Program can ONLY miss five days per calendar month. Participants absent for more than five consecutive days without contact from the parent/guardian will be removed from the scholarship program. If a special situation arises, requiring your child to miss camp for a prolonged amount of time, please call the center and communicate with the teen supervisor. We reserve the right to remove a participant due to behavioral issues. If you have any questions about the grant attendance requirements, please call the center.
