

## **Summer Basketball League 2016**

TASCO offers recreation and power leagues for both guys and girls in middle and high school. Eighth graders are able to play in both the middle and high school league if their skill level permits.

Interested teens may register at any City of St. Petersburg Recreation Center and the average cost for a player to be placed on a team is \$20.

To form and coach your own team call 892-5060. The cost to enter is \$175 if you provide your own jerseys or \$250 if jerseys are ordered for you. The player/team fees cover the cost of jerseys, referees, and awards. All church groups, non-profit organizations, and youth groups are encouraged to participate.

Players who are 18 years old and still in school are eligible to participate. Players are not eligible to play if they turn 19 on or before August 3, 2016 (date requirement subject to change).

Games are from June and run through August. Each team will play one game per week.

This is a positive sportsmanship league.

For any other questions, please contact Justin Morris at 892-5060 or [Justin.Morris@stpete.org](mailto:Justin.Morris@stpete.org).
